

**Quest University Football Academy**  
*Sea to Sky's Centre of Soccer Excellence*

**Welcome** to the Quest University Football Academy for our inaugural season in training elite soccer players in the Sea to Sky Corridor, the 'Quest way'.

We are delighted to announce our program and offer local players the best opportunity to work with UEFA qualified coaches at the luxurious facilities at Quest University in Squamish.

Players will have 3 intensive sessions a week from early March through to the end of May 2010, including a series of tournaments and exhibition games. Only 20 individuals will be selected for the Spring Academy to represent the Sea to Sky over the coming months. For the first year of the program, male players aged 16-18 only are encouraged to attend.

To register for try-outs, please contact Team Manager Peter Shrimpton to confirm your place at [shrimpc@direct.ca](mailto:shrimpc@direct.ca).

**Coaching Staff**

**Head Coach – Adam Day**
